The *Jamari Terrell Williams Student Bullying Prevention Act*, No. 2018-472, defines bullying as a continuous pattern of intentional behavior that takes place on school property, on a school bus, or at a school-sponsored function including, but not limited to, cyberbullying or written, electronic, verbal, or physical acts that are reasonably perceived as being motivated by any characteristic of a student, or by the association of a student with an individual who has a particular characteristic, if the characteristic falls into one of the categories of personal characteristics contained in the policy adopted by the local board. To constitute bullying, a pattern of behavior may do any of the following:

- a. Place a student in reasonable fear of harm to his or her person or damage to his or her property.
- b. Have the effect of substantially interfering with the educational performance, opportunities, or benefits of a student.
