

About Us:

Vinemont High School provides exceptional educational experiences for over 315 students every day. Our school is the heartbeat of the community. We take great pride in preparing future community, county, state, and national leaders to be successful in whatever endeavor they decide to pursue. Our school is rapidly transforming. With 75% of our staff being hired within the last 4 years, our school not only has new faces but also a renewed commitment to excellence. VHS graduates go on to great careers such as judges, machinists, teachers, business leaders, doctors, entrepreneurs, and many more.
